

## ENVIRONMENTAL POLICY

Envirovue is the trading name of Asprey St John & Company LTD. Envirovue is a privately owned company specialising in skip hire and waste management.

We recognise that our activities impact on the environment, and as such we have created an environmental policy to help identify and minimise these impacts.

We ensure that our policy is:

Regularly checked, updated and agreed by our senior management team

Available to the public, our staff and those working on behalf of the company on a cloud document sharing application

Implemented through our day to day activities

Monitored for success on an annual basis.

Envirovue commits to:

Preventing pollution from activities at our head office and on site

Continuous environmental improvement

Complying with applicable environmental legal and other requirements.

The company aims to mitigate the risk of an environmental incident. However, in the event of an incident that may lead to pollution, the company will put in place response plans to reduce the potential impact on the environment. Envirovue recognises our duty to inform the Environment Agency in the event of pollution being caused by our activities.

Envirovue aims to:

Minimise production of waste and increase recycling rates by following the waste hierarchy (reduce, reuse, recycle)

Minimise consumption of energy and water

Minimise the environmental impact of activities on site

Minimise emissions from vehicle use

Promote the use of materials with recycled content or from sustainably managed sources.
